

FOR IMMEDIATE RELEASE:

Evolutions Adds Fifth State by Signing Arkansas Radiology Group

St. Louis, MO, August 18, 2004 -- Tom Long, President and CEO of Evolutions, a leading practice management and medical billing solutions provider, announced recently the company has signed a contract to provide billing services to Newport Radiology Consultants, a radiology group located in Newport, AR. This is the fifth state for Evolutions' operation and the second new state since the company was purchased by its present management last March.

The Arkansas radiology group is headed by M.A. Chauhan, MD. Dr. Chauhan is the radiologist at Newport Hospital and Harris Hospital, both located in Newport. "We are very pleased to add Arkansas to our growing client family," said Mr. Long. "This radiology group has an excellent regional reputation, and we are gratified they selected us as their billing services provider," Mr. Long added.

Evolutions, headquartered in St. Louis with regional offices in Cape Girardeau, MO and Evansville, IN, provides high quality and responsive medical billing solutions to its client base of radiologists, radiation oncologists, imaging centers and other medical specialties located throughout the U.S.

Evolutions' billing solutions entail much more than producing bills for medical providers. The company's enhanced billing solutions, which are totally HIPAA-compliant, have reduced days in A/R for many clients by 35 percent. Payment denials have been reduced by as much as 18 percent due to the company's unique claims data scrubber that checks for missing data elements, transpositions and illogical information. Professional coders also examine each claim submitted by Evolutions to insure that all coding is at the appropriate and correct level. The company also monitors trends in its clients' claims submissions and when they discover recurring anomalies, they provide client training to correct the problem.
